Dear Chairwoman DeLauro and Ranking Member Granger,

I am requesting funding for Prairie View A&M University as part of the Department of Education's Fund for Improvement of Postsecondary Education (FIPSE) for science and engineering lab equipment in fiscal year 2023.

The entity to receive funding for this project is Prairie View A&M University Division of Research & Innovation, located at 700 University Drive, Prairie View, Texas 77446

The funding would be used to purchase engineering and science lab equipment and provide training for students to expand their STEM program.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Michael T. McCaul  
Member of Congress
