Dear Chairwoman DeLauro and Ranking Member Granger,

I am requesting funding for the expansion of Texas A&M's Forensic Science education and community outreach programs in fiscal year 2023.

The entity to receive funding for this project is Texas A&M's Department of Entomology, located at 2475 TAMU College Station, TX 77843-2475.

The funding would be used to enhance and explore further organizational changes that would improve Texas A&M's ability to address critical needs in forensic science education and research at the local, state, and federal levels.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Michael T. McCaul
Member of Congress
