The Honorable Kay Granger

Dear Chairwoman DeLauro and Ranking Member Granger,

I am requesting funding for a Climate Resilient Agriculture Research and Demonstration Program for Underserved Communities to develop a research and demonstration program to address natural resource issues related to droughts, soil loss, flooding, water quality, and other environmental stressors in fiscal year 2023.

The entity to receive funding for this project is Prairie View A&M University, located at 100 University Drive, Prairie View, TX 77446

The funding would be used to build out the program to include a research component, extension and outreach, cooperative agreements and partnerships, and teaching and training of undergraduate and graduate students.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Michael T. McCaul  
Member of Congress
