Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the widening of and flood mitigation for Old Reliance Road in Bryan, Texas in fiscal year 2024. The entity to receive funding for this project is the City of Bryan, located at 300 S. Texas Ave., Bryan, Texas, 77803. The funding would be used to widen an existing two-lane rural road to an urban roadway with four lanes of travel, raised medians and turn lanes, curb and gutter, and a major creek crossing drainage structure enlargement. The project is an appropriate use of taxpayer funds because it would provide James Earl Rudder High School students with a sidewalk and shared use path to safely travel to and from school and would help residents of the area in their daily travels as flooding caused by an undersized culvert leads to unsafe road conditions.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Michael T. McCaul
Member of Congress
