The Honorable Rosa DeLauro
Ranking Member
Appropriations Committee
U.S. House of Representatives
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the extension and widening of Waco Street in Bryan, Texas in fiscal year 2024. The entity to receive funding for this project is the City of Bryan, located at 300 S. Texas Ave., Bryan, Texas, 77803. The funding would be used to create a major thoroughfare in Bryan, with curb and gutter, as well as a shared path. The project is an appropriate use of taxpayer funds because it would include a roundabout at an intersection of five roads, including the extension of Waco Street, which is just over a mile away from the Blinn College-Bryan Campus, where students could access pedestrian and bicycle connection to transit routes.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Michael T. McCaul
Member of Congress
