The Honorable Rosa DeLauro
Ranking Member

Dear Chairman Cole and Ranking Member DeLauro:

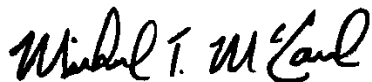

I am requesting funding for the New Water Well Project in fiscal year 2027. The entity to receive funding for this project is the City of Madisonville, Texas, located at 210 West Cottonwood Street, Madisonville, Texas, 77864, United States.

The purpose of this request is to construct a new water well to strengthen Madisonville's drinking water capacity, improve system reliability, and reduce water vulnerabilities. The project is an appropriate use of taxpayer funds because it invests in core public water infrastructure that improves resilience, protects service continuity, and supports the city's long-term capacity needs.

The project has a federal nexus because the funding provided is for purpose authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Michael T. McCaul
Member of Congress
